Track Team Aims For 2nd Straight Victory Saturday

The track team is out for its second straight victory this Saturday against the Hofstra College Bulldogs. Coaches Hudson and Monroe are confident that their athletes will perform well at the meet. Hudson is particularly looking forward to the performances of Coach Hug and Captain Perkins, who have been performing exceptionally well in practice.

Edward D. Johnson was a member of the 100-yard dash team. He was the third fastest among the participants. His split time was 12.5 seconds. Johnson's performance was a significant improvement over his previous best of 13.0 seconds. He attributed his success to the hard work and dedication he has put into his training.

Winning three of the six events is no easy task. However, the track team has been performing consistently well, and there is a strong possibility of winning all six events.

The meet is held at the Hofstra College Sports Complex. It will be a true test of the team's strength and determination. The track team is determined to come out on top and continue their winning streak.
