CALENDAR OF EVENTS

WEDNESDAY, MARCH 18
Inter-Varsity Christian Fellowship. Lecture: "Eternal Security," Dr. Charles Chilton, Sheddington Baptist Church. Room 241, 7:45 p.m.

Motor Sports Enthusiasts Club. Forum: "Building and Re-Building of Sports Cars and Specials." Room 31-144, 5:10 p.m.

Chemistry Department. Harvard-M.I.T. Physical Chemistry Colloquium. "Electron Spin Resonance." Dr. J. H. B. George, Oxford University. Harvard University, Mallinckrodt 3-22, 5:30 p.m.

THURSDAY, MARCH 19
Electrical Engineering Department. Open House for Course VI Undergraduates. Building 10, Fourth Floor, 4:00-5:30 p.m.

Architecture of School and Planning. Lecture: "Architectural Definition in Planning." Mr. Fritz Schumacher, New York University. Room 4-141, 4:00 p.m.

Physics Department. Colloquium: "The Use of Group Theory in Nuclear Physics." Mr. C. C. J. Berghoef, University of Chicago. Room 6-120, 4:15 p.m.

Freshman Guidance Talks. Course Examination. Room 2-322, 10:00 a.m. - 12:00 noon.

Freshman Guidance Talks. Course Examination. Room 2-312, 5:00 p.m.

FRIDAY, MARCH 20
Mechanical Engineering Department. Lecture: "Engineering Problems in Rocket Design." Mr. A. Chalmers, General Motors Corporation, Room 3-270, 11:00 a.m.

Chemical Engineering Department. Seminar: "Chemical Problems in Air Pre-Heaters." Mr. Stephen I. Jolles, Room 3-270, 4:00 p.m.

Coffee in Room 3-174 from 3:30-4:00 p.m.

SATURDAY, MARCH 21
Varsity Rifle Team. Match with U. S. Coast Guard Academy. 4:00 p.m.

SUNDAY, MARCH 22
Society of Arts. Popular Science Lecture: "Mechanical Vibrations." Their Counselor, Professor E. T. Browne, Carnegie Institute, Washington D. C., Room 10-286, 8:00 p.m.

MONDAY, MARCH 23
Electrical Engineering Department. Orientation Meeting for Course VI A Sophomores. Freshmen invited. Room 10-286, 1:00 p.m.

Freshman Guidance Talks. Course VI: Electrical Engineering. Room 2-500, 2:00 p.m.

Freshman Guidance Talks. Course XIX: Meteorology. Room 2-500, 3:00 p.m.

TUESDAY, MARCH 24

Chemical Engineering Department. Seminar: Subject: "Chemical Engineering Design for Emergency Operations." Tyler Lounge, Walter Memorial, 5:15 p.m.

School of Humanities and Social Studies. Lecture: "New Zealand's System of Selective Service." Dr. R. W. Farguson, Australia, Room 1-254, 1:00 p.m.

EXHIBITIONS

An exhibit entitled "Greece: IV-VI Centuries" will be on display in the New Gallery of the Charles Hayden Memorial Library from Tuesday, March 17, to Tuesday, March 24. For admission, there will be an entrance fee of 10 cents.

TUESDAY, MARCH 17, 1953

Military Ball (Continued from Page 1) will be held Sunday, March 15, in the Experimental Airplane Factory Building. Tickets cost $1.25, or $1 if purchased by fifteen members of the Institute, communications remain fixed (at least that which is common knowledge.) The number of over-50 dollar bills, which is the limit for tickets which may be purchased, was limited to 1000. The non-profit Ticket Service sold 250 tickets, and $700.00 will be spent on refreshments and decorations, the dance is free to those attending.

Since all the girls will know each other, the atmosphere will be informal, friendly, and the women will be generated there will be nothing required of you, except to meet acquaintances. The equal number of men and females is supposed to be maintained by the Institute, which is considered by many to be a "rat race."" If you are a member of the ball committee, you may contact other women as well. The date this year is Saturday, April 20. The dance will be held in the new Burton Lounge. Although $250.00 will be spent on refreshments and decorations, the dance is free to those attending.

The debate has been heavy as to whether the debate is proper or advisable to be used for fundraising and recreation, with many arguments pro and con.
