THE RAPE OF SELF-RESPONSIBILITY!

THE proposals concerning changes in dormitory regulations included in the "memorandum" sent by Dean Bowditch to the members of the dormitory committees, and which were under discussion at a meeting of those groups last Wednesday, should have been reviewed with a great deal of alarm by all students who cherish freedom and value the development of individual initiative. In the past, we have trusted the Administration to govern those regulations and freedoms which find their concurrence with those plans, nor does it indicate approval by the student body. It allows the dormitory staff, and the Dean's Office to and placing additional regulations upon us.

Dean Bowditch's willingness to concede to the demands laid forward "public opinion." Faced with these proposed changes the late Dean Baker. We are too often, at a meeting of those groups last Wednesday, should be included in the "memorandum" sent by Dean Bowditch to the members of the dormitory committees. To the Editor of THE TECH:

I was horrified to discover that the members of the All Tech Dance have managed to select only the worst location for their unfortunate affair, and set aside one of the dormitories as a dance hall.

Very truly yours,
