M.T. Sailors Win Regattas, Take 2 Events Last Sunday

M.T. sailors took a major intercollegiate regatta win last Sunday at the annual Bowditch-Bowman Regatta in Boston Harbor. The race was the first of its kind in the Boston area and was sponsored by the Boston Yacht Club and the Commonwealth of Massachusetts. The event was made possible by a gift from the Massachusetts State Legislature.

The four-event regatta was held in Boston Harbor and included the following events:

1. The Bowditch-Bowman Challenge Cup, a 12-mile race around the Boston Light
2. The Sunday Times Cup, a 10-mile race around the Boston Light
3. The Commonwealth Cup, a 8-mile race around the Boston Light
4. The Massachusetts State Legislature Cup, a 6-mile race around the Boston Light

The M.T. sailors won the Bowditch-Bowman Challenge Cup and the Commonwealth Cup, coming in first and second respectively.

The M.T. sailing team, led by Captain John Harris and crewed by Michael Kane and Robert Smith, was victorious in both races. Their boat, "Hercules," crossed the finish line first in the Bowditch-Bowman Challenge Cup and second in the Commonwealth Cup.

The俞urites" were also victorious in the Sunday Times Cup and the Massachusetts State Legislature Cup, coming in second and third respectively.

The regatta was a great success and was enjoyed by all. The M.T. sailors hope to continue their success in future regattas. 

Institute Staff Players Plan Spring Presentation Of Shaw's "Heartbreak House In Huntington Hall

Institute Staff Players have announced plans for a spring presentation of George Bernard Shaw's "Heartbreak House." The play will be presented in Huntington Hall on April 21, 22, and 23.

The cast will consist of: M.T. students, faculty, and staff. The play will be directed by Professor Voss, and the production will be sponsored by the Institute's performing arts committee.

The play is a satirical comedy that takes place in the fictional town of Blithe Spirit in the United States of America. The story follows a group of people who are trapped in a series of interconnected events.

The play is a classic and has been produced many times since its original publication. The Institute is excited to bring this play to its students and faculty.

Staff Players in Action
