Resolution On Searches Dealt With by Committees

At their weekly meetings last Wednesday, the Bailer, Burton, and East Campus House Committees debated a resolution which entry and searching in dormitory rooms could be accomplished. The resolution was con- sidered simultaneously in each branch.

The resolution was submitted by the Burton House Committee because of protests by many students over the effect upon students of the dormitory residents. It was felt by some students that the con- ditions for room-search should be clarified, and that the proposed rules for dormitory rooms should be referred to the Dean's office with recommenda- tions to violators shall be referred to di- rectly they could report one month delay was to permit processing search personal effects.

The time limit extended for TO-R.O.C. Tencents For Start of Duty

Colonel Beich, head of the Armory ROTC program, at the institution, has announced that the Army is now taking applications for the current academic year. The applications are now being accepted for students who wish to carry on with their ROTC duties.

The Army ROTC program offers students an opportunity to gain valuable experience in the military and to prepare for possible future service in the Army. Students who successfully complete their ROTC requirements may be eligible for ROTC scholarships, which can help offset the cost of tuition and other expenses.

Burton House Has Dance In Lounge

On this Saturday

Burton House's Social Committee plans to hold a dance to be held in its new lounge on Friday, April 27, from 8:30 p.m. to 11:00 p.m. The dance will feature music from the currently popular groups of the day, and a variety of refreshments will be served.

Student Council Will Discuss U. N.

The Eighth Annual Intercollegiate Conference on the United Nations will be held at Harvard University this weekend. The conference will bring together college students from across the nation to discuss important global issues.

The conference, which is sponsored by the Collegiate Council for the United Nations, aims to foster a greater understanding of international relations and to promote dialogue among young people from different backgrounds.

Plan Science Fair for April 24-26

In Rockwell Cage

About 250 high school students from all parts of Massachusetts and neighboring states will compete in the annual Massachusetts Science Fair, which will be held at the Rockwell Cage, next weekend. The fair will feature a variety of exhibits and presentations, including booths on topics such as biology, chemistry, and physics.

Many Visitors in Past

In previous years, as many as 12,000 visitors have attended the Science Fair, which is sponsored by the National Office of Science. The fair offers a unique opportunity for students to showcase their scientific research and to interact with other young scientists.

Registration Material for the 1953 Summer Session will be available starting May 15 at the Register's Office, Room 7142, in the afternoon.

Students Recommend Policies

In its annual statement of policies for the coming year, the Student Senate has endorsed a number of measures to improve the educational experience of students.

One of the resolutions that has been approved by the Senate is a recommendation that the University increase the number of course offerings in the humanities. The Senate believes that this will help to promote a more well-rounded education for all students.

Honor Society of Pershing Rifles Elects 19 Initiates

Nineteen new members were elected to the National Honor Society of Pershing Rifles, the University of Massachusetts, at a meeting held in the afternoon of Thursday, April 26.
