Discussion of Dormitories Held In Pres. Killian's Home

By Edwin Riley "30"

Friday evening thirty dormitory residents met with members of President Killian's house to discuss dormitory government and regulations. The session, led by Miss Grace, former secretary to President Killian, was attended by about twenty students. More dormitory residents were on hand to listen and to discuss the problem, that a basic discussion for more "bilateral" similar to the one being held and that there should be discussion with wider groups of students.

Al Gough, treasurer of Dormitory Residents, stated that the approach to the solution of the present student problems of regulation should be in three steps: 1, a statement from the administration of the policies and procedures of student government; 2, a forum for the present student group to add their voice on the lines of communication, in Killian's reply to this by elaborating on the overall trend of Institutional policy.

President Killian further stated that in the future, we are moving toward more freedom, rights may be claimed (Continued on page 8).

W.S.S. F. Plans Gala Carnival

In Rockwell Cage this Saturday

The second annual World Service Carnival will be held in Rockwell Cage this Saturday night from 8:30 to 11:30. The Na- tional Association of Cost Accountants, and the Compton Cup Race will be held in Rockwell Cage this coming Saturday night.
