three following panels discussed an Activities Council that would re-
ounce the school's activities, an informal Cabinet of chairmen of sub-
committees of Inscomm, and the func-
tion of Class Representatives. This
last group decided that the value of representation by classes was ques-
tionable, and also discussed improve-
ment of communication between stu-
dents and government, the problem of student apathy, and the idea of
a smaller Institute Committees.

The panel discussion on Reorganization, held concurrently with the panel
on Disorientation, followed up the ideas brought out in the preceding
sessions. The final result was a plan for a smaller Institute Commit-
tee, consisting largely of representa-
tives from living groups, but includ-

head of the Activities Council, with the
insanitary President elected by the
student body at large.

The A.C. pitcher contributed to the
inning. Weber blanked the Aces in the 11th
as Captain Royer Thompson applied
the cracker with two out as he made a tremendous leaping backhand catch
of Dion's airmen, a drive which
was ticketed for extra bases. Henderson, Valacio and Morgan,
sharply hit liners towards second, both
appears Henderson being particularly
impressive against Clark and Willet, A.I.C.'s top basemen.

1. THE QUALITY CONTRAST

between Chesterfield and other leading cigarettes is a revealing story. Recent chemical analyses give an index of good quality for the
country's six leading cigarette brands.

The index of good quality—ratio of high sugar to low nicotine—
shows Chesterfield quality highest

... 15% higher than its nearest competitor and Chesterfield quality 31% higher than the
average of the five other leading brands.

2. First to Give You Premium Quality in Regular and
King-size ... much milder with an extraordinarily good
taste—and for your pocketbook, Chesterfield is today's best
cigarette buy.

3. A Report Never Before Made About a Cigarette. For
well over a year a medical specialist has been giving a group of Chesterfield smokers
regular examinations every two months. He reports...
