According to Educational Testing Service, which prepares and administers the College Qualification Test for the Selective Service System, it will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's Selective Service local board of jurisdiction for use in considering his deferment as a student.

When you smoke Chesterfield it's
so satisfying to know that you are
getting the one cigarette that's low
in nicotine, highest in quality.
A fact proved by chemical
analyses of the country's six
leading cigarette brands.
And it's so satisfying to know that a
doctor reports no adverse effects
to the nose, throat and sinuses
from smoking Chesterfield.

The doctor's report is part of
a program supervised by a
responsible independent re-
search organization and is based
on thorough bi-monthly ex-
aminations of a group of Chester-
field smokers over a period of
a year and a half.

Chesterfield is best for
me—my steady smoke
for 7 years.
