New Tech Sports Trophy Presented By Beaver Keyer At its first meeting this fall, the Beaver Keyer Honorary Society announced the introduction of a new trophy, the "Beaver Keyer Intercollegiate Sports Award," to be awarded to the living group with the largest number of percentage points. In July of '54, the new trophy will be presented to the group whose members have shown the greatest variety participation in any and all sports since the beginning of the present school year. The present proposal for division of the trophy will be as follows: each individual in East Campus; Harkness teams; a group in the Huron House; and all other groups as the final group. Each of these groups will be eligible to compete for the trophy. Based On Percentage The new trophy will be the life group which has amassed the largest number of percentage points per man over the school year. Three (3) points will be credited to the group to which an individual belongs. (Continued on page 3)
