A new method of electing House Committeemen has been adopted for this year. The main topic at Wednesday's meeting of the East Campus House Committee was a motion that three new offices should be created by vote of the house. This motion was made after the last meeting of the House Committee, and it was accepted by voice vote. The new offices will be created through a by-law change, which was changed with minimal discussion and only a slight majority vote in favor. The new offices will be created in the Burton Rooms, and the work...
