Runners Win Third Place In New England Championships

The varsity Beaver cross-country squad captured third place in the NECCHA meet last Monday, Nov. 5, at Franklin Park. The final score of the first five colleges in order were Massachusetts; Holyoke, 55; M.I.T., 97; Washington, 127, and Springfield, 146.

Schen, Kelley

Although the U. of Mass. led the varsity for the first three miles of the race, and then took over on the last mile to win the race by a good fifty yards with a time of 34 minutes, Bruno Shen held the course record of 19:38 minutes, he felt bitterly disappointed at coming in second; but Shen, who was third in 1951 and second in 1952, retained the final mile winning all. Tech's Jack Furpee '54, finished third, as he did last year. The Techmen who placed behind Furpee were Dave Polvanna '52, 60th; John Smith '50, 69th; Huth Nieder '52, 95th; and Sture Bengston '55, 34th.

- Interclass Regatta Won By Seniors On Charles River

by Paul Schaffer '56

On Wednesday, November 11th, on the chilly waters of the Charles River, the class of '56 won the annual Inter-Class Race for the second consecutive year. In the winners' presentation the Richards Caps, symbolizing the spirit of crew at Tech, were presented to the class of '55.

Four crew events, one each from the classes of '54 and '53 and two from the class of '56 participated in the regatta. Getting off in an early lead was the first '56 shell which pulled out front for a one-quarter of a mile advantage. They held this slight advantage for three-quarters of a mile, with '54 a strong third, and the second sophomore shell to the rear. In a thrilling finish sprint, '55 had too much for the stiff shell which, up to this point, had led all the way, and overtook them just before the finish line. The margin of victory was a quarter-of-a-length over the class of '56 with the juniors third, a length behind, and the second '56 shell trailed the field.

The winning time of the mile race was 6:25.5, the victorious senior boat consisted of Wares, convenor; Meig, stroker; Yancey, breeze; Harris, stroke; Holman, coxswain, Mayes, and Cardin. After the race the presentation of the Richards Caps was made to the victorious class.
