by Paul Jay Goldin '54

With two-thirds of the players completed, the defending champions, Phi Gamma Delta, emerged as the only undefeated team. One more 10-0-0 victory this weekend will assure the Phi Gam's of their second consecutive title.

In one of the most thrilling games ever played on Briggs field, Phi Gamma Delta edden out a double-overs-six effort against a fighting Sigma Chi eight. After the score tied 12-12 at the end of regulation time, the two teams battled into overtime periods. In the overtime periods, however, Phi Gam registered three first downs to two for SAE and was declared the winner. The Phi Gams completely dominated the first half, as Clue Bresee threw an accuracy pass to Prentress Cole and ran five wangs moments as he raced 40 yards with a 6-0 lead. After the half, Kappa SigIFICATIONS brought the score to 24-12 and never again were Phi Gams able to take the lead. Sigma Chi withstood the Phi Gam's efforts at the goal line. All afternoon the two teams battled on even terms for the two overtime periods until, Tom Hoff-ord's pass for the game-deciding opportunity

WHAT DID I SAYS?

A very faddish college senior decided to add a few colored shirts to his wardrobe. So one afternoon, he strolled down to the local shirt shop and said to the clerk:

"The clerk indicated Van Heusen Van Heusen Broadcloth.

"These are our best sellers," he said. "They're tailored of fine, high-count broadloom that's very smooth to the touch, and in today's popular colors—" including Van Heusen's new short collars that are the rage of the collegiate set.

"Good. They're versatile," replied the clerk. "Just look at that magic ownership—Van Heusen's finest. Why, even the buttons are top quality, handcrafted ocean pearl, and Van Heusen Broadcloth come in every color of the rainbow—from soft, subtle shades to rich robust tones. What's more, they're only $5.95 apiece."

"Do you have henna color?" asked the young man.

"That's just what I was joking telling you," answered the clerk.

"You can have henna color you want?"
