Singing Groups Present Concert
On Friday evening the M. I. T. Glee Club combined with the Glee Club of the Chandler School for Women in an informal concert held in the music Room of the Bapst Library. Each club performed a group of songs and then combined to present two works by Bach, "Gaud, Joy of Man's Desires" and "Now Thank We All Our God!" Extra items were brought in to help accommodate the two hundred and twenty people attending.
Following the concert a dance was held for the members of the concert and their guests in the 555 club room, with music provided by the Tech-tentions.
The concert was the second in this year's Glee Club concert program, which begins with a joint concert at Storrow last month. The next event will be a joint Christmas concert with the M. I. T. Choral Society and Symphony Orchestra appearing at Jordan Hall on December 12. The spring concert schedule will include trips to Pembroke, Lasell Junior College, and Mount Holyoke. Arrangements are now being made for a five day tour in the East during Spring Vacation, and the season will close as usual with the "Tech Night at the Pops."

Former Scouts Asked To Help in BSA Survey
An initial survey to locate all its former scouts and scouts in being made by the Pasadena-Ran Gabriel Valley, California Council, Boy Scouts of America.

The purpose of its survey is to measure, through a subsequent questionnaire, the benefits a boy receives in his earlier scouting years as measured by advantages gained in adult life—because of his scouting experiences.
This is a "follow-through" on what the Boy Scout program is intended to accomplish and the findings compiled will be turned over to the National Council of the B.S.A.
Over 75,000 boys have been pro-
cessed through the scouting program in this one Council during the past 30 years.
All former scouts and scouters effected by this initial survey have been requested to send their name, present address and former troop affiliation to: Matt Grandon, Survey Chairman, Boy Scouts of America, 920 Boy Scouts of America, P. O. Box 5083A, Pasadena 5, California.

Basketball, Bowling Start Soon
The intramural basketball season starts with a bang next week as five of last year's six finalists see action. Theta Chi, Delta, Graduate House "A," SAE, and ATO, all have pro-Thanksgiving vacation games, as they seek to defend their league titles. Only Graduate House "C" of all the final-ists remains idle until early in December.
The intramural bowling season opens this week at the Walker Memorial Student Dining Hall. Only SAE and East Campus teams are capable of renewing the Wallstreeters from winning their fourth successive crown.
