Representation Equalized in E.C.House Comm. Amendment; Add 4 More Hall Chairmen

At the East Campus House Committee meeting held last Wednesday in Craft House, the motion of Ray Pease '64, to amend the House Committee constitution by adding a four-member group representing the interests of Pro Floor chairmen in each of the Bosio and Hayden units in place of the present three Hall chairmen from each, this change has been instituted to give greater representation of all sections.

The present system gives one representative to every seven incidents in the Institute. The new system, equalization between those in Building Flanagin and those in 30-41 in other East Campus Houses. Another motion by Pease, providing for elections to the affected houses within three weeks, was defeated.

The second principal feature of the meeting was, an House Committee representatives for 1953-54, "a duel in per- cussion" between Gerald S. Golen '54, House Committee Secretary, and Martin Lehigh '54, East Campus House Committee chairman. At the previous meeting a vote of no con- fidence in Lehigh was passed together with a motion asking for his resigna- tion. Craft House was filled with officers who began Lehigh delivering a speech in his defense. In his address Lehigh challenged Golen to debate on a "Wash to Dust" and Golen called Lehigh a liar, and charged that Lehigh had been "Put that in the minutes.

Alpha Phi Omega Attempts to Find Tech's "Ugly Man"

Who is the ugliest man on the Tech campus? This is a question in a contest which is now being prepared by the Eta Kappa Nu fraternity, Hayden Memorial Library, is now being prepared by the Alpha Phi Omega fraternity. The contest will attempt to find this out in an election to be held during the week of December 7. Nomination ballots for candidates will be distributed in the campus before the week. The ballots will be sent to the various living groups and the chairmen of the apartment and when completed, should be sent to Harris Wheaton, 31 Box 3400, Cam- bridge.

The purpose of this election is to find one person among the stu- dents who faculty who will have the title of "Ugliest Man on Campus." Votes will be cast in the East Campus Houses which are un- signed, the same anonymous system of voting as used for the "Ugliest Man" contest, and the person who attains the most votes will be the winner.

Institute Players Present Mystery Early Next Month

A. M. L. Neu's "The Doomed River," a mystery-entertainment, will be presented on December 13 and 14 in room 10-250 by the M.I.T. Staff Players as their fall production. The play will be under the direction of Professor Jack Wool of the Department of Drama and Speech at Tufts College.

The story revolves around the selfish Mr. Lantone and two song- ing who, an unwilling guest, appeared to share his fate for a brief period. David Goldstein, Ph.D., candidate in Chemical Engineering, who has appeared in two previous plays for the Staff Players, will appear as Mr. Lantone, while his "soul de-camp" will be played by Roger Lebow, M.I.T. alumnus.

Lee Kramer, fifth-year Architectural student, and Eilen Weerts, editorial assistant in the Office of Publications, will portray one of the couples, and the other couple will be played by Tina Sinton, Digital Computer Labora- tory, and Lanny E. Shore, Depart- ment of Bacteriology.

Tickets for the three performances will be sold at the T.C.A. office and in Building 10, and will also be available at the door. The cost is ninety cents for undergraduates.

Institute: that

Course Evaluation

For EE Prepared By Eta Kappa Nu

Evaluations of some select subjects offered by the Electrical Engineering Department will appear in a pamphlet which will be distributed to all faculty, professors, and students. The evaluations are part of the Institute's annual self-study program which is a systematic and periodic examination of the Institute's educational programs. The evaluations are conducted by the undergraduate council and are based on the opinions of students, faculty, and administrators.

The program of teaching the course around Building 44, the Charles Hayden Memorial Library, is to be expanded next year under a new program. This program is to be offered in the fall semester and will include a seminar in which students will be able to explore various aspects of the subject. The seminar will be taught by Dr. Harold L. Hazen, Dean of the School of Science, and will be based on the book "Theoretical Physics in Engineering" by the Institute's Department of Mathematics.

The seminar will meet once a week and will be open to all students enrolled in the course. The seminar will be held in room 10-250, and will begin at 9:30 a.m. on Mondays. The seminar will be held from September 15 to December 30.

Elections for Senior Ring Chairman, Junior Committee and Senior Finalists will be held last Tues- day, concurrently with the referendum on off-campus housing. The result of the referendum was that the motion passed by the House Committee to prohibit off- campus housing is to be held to stand. More students voted "yes" than "no" on a referendum that was a question of the use of the facilities on campus. However, the referendum required a vote of thirty percent of the undergraduate students to be effective, and this requirement was not met. Further, a two-thirds vote would then have been necessary to reverse the referendum vote. The results of the election are listed below.
