Freshman basketball coach Larry "Roy" Rogers has selected a twenty- 
man squad. He did, however, point out 
that the team is lacking in two vital qualities, experience and height. Only 
three members of the squad played 
varsity basketball in high school, and 
the tallest men on the squad stand six-one. 

Frosh Attack Outlined 

Mr. Rogers plans to employ an at-
tack similar to that used by the Tech 
varsity, a single pivot with two men 
outside and two corner men. He cited 
the difficulty of making the green 
fresh squad into his offense and teaching 
them the fast break which is an integral part of it before the opener 
November 6 against Trinity. 

Adopted to grade an outstanding 
player, coach Rogers named Charlie 
Arledge, six-foot guard from Texas, 
one of the better prospects. The 
remainder of the squad consists of: 
that Kvitter, Al Ritchman, Pete Hor-
bert, Stan Clark, Bill Brandon, Pete 
Jensvold, Kirby Green, Bogus, Boy 
Grivian, Murray, Sugerman, Brook, 
St䈤, D. Macdonald, P. Myers, 
McMillan and Smith.

Warming Up For Heavy Schedule 

Six days a week to the Walker 
Memorial Gym, Coach Scotty White-
law puts his Basketball squad through 
preparation for the fourteen-game sched-
ule opening this up year. 

Physical Fitness, alertness and team 
cooperation are the basics for the op-
timism which pervades this year's 
entire team. Of the sixteen play-
ers on the squad, fourteen played 
basketball at the Institute previously. 

The sophomores have moved up from 
last year's Freshman team, while 
team members returned from the 
tournament of last year's captain; Dave Mar-

departed, all of them guards: Russ 
Kidder, last year's captain; Dave Mur-

caro and Paul Van Atty. Other-

The list was signed by Gene 
Mathis.
