A people who will take up questions general to reach "that kind of education" whenever that may be. Rather the facts make absolute nonsense of the remarks attributed to the Professor. I am sure that he received an invitation from the Belgian government which is probably (with the possible exception of the French Colonies) the most vices and entirely conscienceless colonial governments over to attach itself to Africa. It is bad enough having to contend with fantastic generalizations of senility wherever that may be. Rather, in an unwarranted, unfounded, and carefully planned malalignment of the facts make absolute nonsense of the remarks attributed to him are correct).

LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in those colleges preferred Luckies to any other cigarette.

This year another nation-wide survey—based on thousands of actual student interviews and representative of all students in regular colleges—shows that Luckies lead again in all branches, regular or life-size... and by a wide margin! The No. 1 reason: Luckies taste better.

Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better—for 2 reasons. L.S./M.P.T.

-Lucky Strike means fine tobacco. And the fact of the matter is Luckies...aren't even close!

When you take a Lucky Strike you can be sure you'll enjoy the fullest satisfaction that you desire.

Lucky Strike is the smoke that makes you feel good. It's the smoke that gives you the confidence to be sure you'll enjoy the fullest satisfaction that you desire.
