LATEST COLLEGE SURVEY SHOWS LUCKIES LEAD AGAIN

Last year a survey of leading colleges throughout the country showed that smokers in these colleges preferred Luckies to any other cigarette. This year another far more extensive and comprehensive survey—supervised by college professors and based on more than 31,000 actual student interviews—shows that Luckies lead again over all other brands, regular or king size...and by a wide margin! The No. 1 reason: Luckies taste better. Smoking enjoyment is all a matter of taste, and the fact of the matter is Luckies taste better. So, because L.S./M.P.T.—Luckies Strikes means fine tobacco. And second, Luckies are made better to taste better. So, Be Happy—Go Lucky!
