Institute professors who were brought in for the occasion.

Had the violin section been fuller and stronger, it is probable that a better performance would have resulted. Professor Laurens Troost, who did a fine job in carrying, and perhaps, the second violin section must be given a great deal of credit.

As the evening wore on, the students themselves were called on for the occasion. Professor Hurley the first week after the students had submitted their reports to the Student Faculty Committee.

building should be drawn up. Work on this task was immediately begun by the committee. The president of all student activities who indicated that they desired space in the new building were personally contacted. Their space requests were sorted, and a list of recommendations for activity space allocations was made up. This will be available to anyone interested after the first of the year. In addition, recommendations for commercial space allocations were being drawn up. Finally the committee will attempt to formulate some recommendations on social space requirements, (i.e., lounge space, dancing area, libraries, snack bars, restaurants, etc.).

The Record I'm most proud of —

Chesterfield is the largest-selling cigarette in America's colleges for the FIFTH straight Year

Again, in 1953, they've made a survey audit of actual sales in more than 800 co-ops and campus stores from coast to coast. And again, Chesterfield tops 'em all.

Only Chesterfield gives you proof of highest quality — low nicotine. Proof that comes from actual "tobacco tests" in which all six leading brands were chemically analyzed.
