Beavers Swamp Worcester Poly
Mermen, 53–31

On Friday, February 5, the Beaver varsity squad, led by three strong centers and a strong guard line, defeated the Worcester Polytechnic Institute, 53–31. The afternoon started badly for the Engineers as Ed Somody ‘56 was up-set by the Moore brothers, but the Engineers fought back in the second half, winning the game in the fourth quarter.

The Engineers were led by Bob Jantzen ‘56, who scored 20 points, and Naulenberg ‘56, who scored 19 points. The Engineers improved their record to 13–4 on the season, and are now tied for third place in the conference.

The Worcester Polytechnic Institute, on the other hand, suffered their fourth consecutive loss and are now 0–14 on the season.
