Calendar of Events

From May 3 through May 12, 1954

**Wednesday, May 5**
- Food Technology Department. Food Industry Seminar: "Food Product Development." Mr. James Hale, The Borden Company, Syracuse, N.Y. Room 16-310, 7:00 p.m.
- Mathematics and Physics Departments. Operations Research Seminar: "Optimization of X-Ray Radiation Dosage for Cancer Treatment." Dr. Arnold Schleifer, Harvard University. Room 6-210, 4:00-5:00 p.m.
- Meteorology Department. Lectures Series II: "Molecular Interactions in Solid Surfaces with Special Reference to Friction, fretting, corrosion, Emissivity, Sporting Goods, and Solid Particles." Dr. J. H. Schlenk, Prof. of Applied Chemistry, Ernest Oppenheimer Laboratory, University of Cambridge, England. Room 5-225, 4:00 p.m.
- Catholic Club: "Work of the Church in the East." Fr. Francis Anderson, Rosary in Iraq, Palestine, Egypt, and Turkey. Room 5-100, 5:00 p.m.
- Chemistry Department. Harvard-M.I.T. Physical Chemistry Colloquium. "Funmarase." Prof. Robert A. Alberty, Chemistry Department, University of Wisconsin. Room 6-220, 8:00 p.m.

**Thursday, May 6**
- Lecture by Prof. O. W. Sumner, "All My Sons." Room 10-210, 7:00, 7:30, and 9:30 p.m. Admission: 50 cents.

**Friday, May 7**
- Mechanical Engineering Department. Seminar: "The Effect of Specimen Size on Yielding." Prof. Donald R. Walker, Room 35-223, 4:00 p.m.
- Coursed in the Glaisher Room (top floor of Building 16) from 3:00-5:00 p.m. PLEASE NOTE CHANGE IN ROOMS.

**Sunday, May 9**
- TECH NIGHT AT THE POPS. Symphony Hall, Boston, 8:30 p.m. Tickets on sale in lobby of Building 10.

**Tuesday, May 11**
- Aeronautics Engineering Department. Seminar: "Development of a Small Refrigeration Turbine." Mr. George Mayne. Room 31-051, 4:00 p.m.
- Staff Players of M.I.T. Funmarase. "Come Back Little Sheba." Faculty Club, 6:30 p.m.

**Wednesday, May 12**
- Food Technology Department. Food Industry Seminar: "Industrial and Occupational Hazards in Industry." Dr. Harriet L. Hardy. Room 10-210, 7:00 p.m.
- Mathematics and Physics Departments. Operations Research Seminar: "Optimum Lot Size Under Uncertainty." Prof. William Taylor, Ohio State University. Room 6-210, 4:00-5:00 p.m.
- Electrical Engineering Department. Seminar: "Electroerosion in Transmission Joint "("A Novel Approach to Beam-Type Amplifiers."). Prof. Hermann Haus. Room 6-120, 4:30 p.m.
- School of Architecture and Planning. Films: "Pacific 231," "The Bridge," "Monarch Butterfly," and "Conspiracy of the King". Room 7-427, 8:00 p.m.
- Technology Christian Association. Lecture: "Science and the Human Spirit." Dr. Edmund W. Sinnott, Dean of the Graduate School and Director of the Sheffield Scientific School, Yale University. Hayden Memorial Library Lounge, 8:00 p.m.

**Friday, May 14**
- M.I.T. will hold its 19th Open House on Saturday, May 8, from 12:00 noon to 7:00 p.m. Designed to present a picture of M.I.T. at work and at play, this Open House will include exhibits of student work, lectures, demonstrations, guided tours, a concert by M.I.T.'s Concert Band, and several special events.

**EXHIBITIONS**
- The exhibition of textiles and ceramics being held in the New Gallery of the Charles Hayden Memorial Library will be extended until Sunday, May 9. Hours: Monday through Friday, 9:00 a.m.-5:00 p.m.; Saturdays and Sundays, 2:00-5:00 p.m.
- "Men of Science," an exhibition of photographs of M.I.T. at work and play, is being shown in the Lobby of Building 7. Pictorial Prints by Mr. O. E. Rosing will be on exhibit in the Photo Service Gallery, Basement of Building 11, through May 10.
- "Enjoy Budweiser Today." Advertisement photos printed by Mr. A. H. Oehl of Winnetka, Ill., will be shown in the Photo Service Gallery.

**CALENDAR OF EVENTS**
- The Calendar of Events appears in THE TECH on Tuesday with announcements for the following eight days (Wednesday through Wednesday). Notices, typewritten and signed, must be in the office of the editor in Room 7-204, not later then noon on Thursday prior to the date of publication. Material for the Calendar of May 12-19 is due May 6.

---

**Student Politics**

by David Brooks '55

The high cost for the use of Mason Hall is Walker Memorial, accounting for the expensive and elaborate design. The original proposal was to use Mason Hall as a temporary solution, with the choral recital in a nearby building. However, it turned out that practically all of the students were interested in three and the others which would be discussed at the meeting, a combined tape-recorded version will be broadcast on WGBH at 7:30 p.m. on Thursday.

---

**ATTENTION**

**BACHELORS, MASTERS, DOCTORS CANDIDATES**

*IF YOU PLAN TO RENT A CAP AND GOWN THROUGH THE COOP, YOU MUST BE PLACED BEFORE MAY 15*

**CANCELLATION OF ORDERS WILL BE ACCEPTED**

**BEFORE MAY 19**

**TECHNOLOGY STORE**

**When you know your beer... IT'S BOUND TO BE BUD**

Budweiser is here at its best for a very good reason: it is brewed and aged by the oldest process known to give Budweiser the distinctive taste that has pleased more people, by far, than any other beer in history.
