Once there was a Basketball Team that
had Flavio of Nothing. It was our goal
that even the Coach shouldn't go near a
game all season. Couldn't stand to

watch his Sunshine Wonders. So the

Fish was procureed through the usual

channels. He was the Big Game.

Ordering a likely idea he started the

wheel in motion. So, and before

time, the team got more
telegrams than

the Fish had by only 28 points instead of 45.

Now for a moral lesson.

The U. S. Government says:

"Analyses of beer samples indicate that the

present tax on beer is so high as to be

virtually nil, amounting to less than 1% of

the cost of production, and in no sense

in the nature of a tax, is in favor of the

reasonable abuse of a legal beverage."
