President Of Undergraduate Association Evaluates Achievements Of InsComm

by Ellen H. Relley '55
President of the Undergraduate Association

Exactly eight weeks ago at the first regular meeting of the 1954-1955 Institute Committee, I presented a "State of Student Government Message" in which I outlined twenty-nine issues where I felt action by Institute Committees would be necessary this spring. In the past eight weeks Institute for the highest compression engine in its field—an engine designed, engineered and built to deliver more perform with less gas. And remember—Chevrolet gives you extra value as well as extra performance—for again this year he is the lowest-priced car in line.
