Got a Lucky Doodle in your noodle?  

Send it in and Make $25!

Want to pick up $25? Make up a Lucky Doodle and send it in. It's easy.

If you want to find out just how easy it is, ask Roger Price, creator of Droodles. "Very!" Price says. Better yet, do a Droodle yourself, like the ones shown here.

Doodle anything you like. And send in as many as you want. If we select yours, we'll pay $25 for the right to use it, together with your name, in our advertising. We're going to print plenty—and lots that we don't print will earn $25 awards.

Draw your Droodles any size, on any piece of paper, and send them with your descriptive title to Lucky Doodle, F. O. Box 67, New York 46, N. Y. Be sure your name, address, college and class are included.

While you're doodling, light up a Lucky—the cigarette that tastes better because it's made of fine tobacco . . . and "purifies" to taste better.

Sailors, Harriers, Booters Open Sport Season

Engineer Sailors Upset By Brown For Wood Trophy

An inspired Brown University sailing team upset the heavily favored Engineer fleet to take the twenty-second annual pentagonal Jack Wood Trophy regatta, held at Cearcy, Great Grait Academy and Harford followed with Dartmouth at the helm.

Soccer Opening - Varsity Powerful, Frost Uncertain

This weekend marks the opening of Tufts' new season. The Boston open against perennially strong Mount Holyoke, Friday, and Saturday the varsity starts what may be an extended fall season against neighboring SMU. Both Engineer squads have good potential and those opener will give the clue to their probable performances for the rest of the season.

The freshmen are seeking retribution for last year's 6-1 defeat in their first ever meet. On the strength of their overall record Mount Holyoke will be tough to beat. They will also have the advantage of practicing for close to two weeks. Arnie Alexander, however, was only good in a few instances and expect the Engineer victory in the game.

A decisive win here would put B.U. in the running for the varsity title at the Quad. The outlook seems to stem from good runners. The team is well-balanced, fairly experienced, and possesses a determined optimism. B.U. is usually not strong - last year's game saw the Engineers victorious in a hard-fought match. It has been strongly stressed that B.U. is no pushover (other Tech teams can testify to that) and this game should answer many questions about the relative calibre of the Beast. A decisive win here would put M.I.T. as a major threat to New England soccer.

Beaver Harriers To Begin Season With Tufts Meet

The highly touted Engineer cross-country squads will open their 1954 season tomorrow at Franklin Park, Dedham. The meet will not under way at about 2:30. The varsity, third in New England last year, is expected to be of championship quality. Ray Smith '50 and Dave Palermo '50, last year's number two and three men respectively, and Captain Larry Herman '56, should be the pace-setters.

The freshmen have looked promising and are expected to represent in a team event. The schedule: (home meets at Franklin Park)

On Monday evenings, October 11, at 8:00 p.m., the B'nai Brith Hillel Society will hold an "Open Supper" at the Burton House Lounge in West Campus. The program will consist of a service, and folk dancing and singing. Women have been invited. Refreshments.

Bush League

(Continued from page 4)

In the remaining five games, ANP will roll over the 9-8 Club. S.A.M. looks better than Eighty-Eight mainly because of Mike Beane and two fine ends, Baker A. In much better shape showing last week indications and much better than Theta XI, D.D.C. has a little more than Graduate House Student Staff, and we pick Baker A. over Theta Delta Chi.

The ANP game catches our eye because it is the first outing for what looks like a powerhouse squad. The AEPF was last week for a district and didn't have a chance to show off, but they should find a weak S.A.M. squad an excellent background upon which to display their talents. S.A.M. seems to us to be the class of a very weak league and for no other reasons but the above.

Flashing light on the Whirlwind formula is the prep school's attempt to display their talents. SAM seems to us to be the class of a very weak league and for no other reasons but I. The game is expected to be a close one, with ANP winning by a small margin.

The Theta XI game is expected to be a very close contest, but we pick D.D.C. to hold their own. The Theta Delta Chi game is a toss-up, but we pick D.D.C. to hold their own.
