FALL ROUSH WEEK—Come with a date after 5:00 p.m. in the gym. A school pep rally with parades, pep rallies, and dances. The evening will close with a rally and dancing in the gym. The dancing will begin at 9:00 p.m. All students are invited to attend.

Due to the lateness of the hour, Rush Week could better be held in smaller groups. Also, more selection should be exercised by the Rush Committee. Rush Week will be more authentic and effective if freshmen are given a little more structure and time to consider. The QCC needs a better Rush Week program to give freshmen a little more structure and time to consider.
