The Social Beaver Wardrobe For Fall & Winter Months

By Bjorn A. Rossing '56

Each year, before college registra-
tion day arrives, the local and na-
tional magazines are filled with the "Man of the Campus" fashions for the fall and winter months. Usually pinned with these designs of masculine distinction is a Jag-
uar sports car, an admiring model of
to a group of College sidewalk in-
the background. The Tech will now pre-
gress the M.I.T. wardrobe re-
view.
