**Annual TCA Banquet Marks Start Of 1955 Fund Drive**

The Technical Christian Association gave its 1955 Fund Drive off to a most enthusiastic start Tuesday evening when the doors of the newly-refurbished Graduate House were thrown open to the students for the fund-raising affair. The drive was the prizewinner, including all of the other events, and was the first of a number of such affairs that will be held this year under the general sponsorship of T.C.A. and the activities of its executive board.

**M.I.T., Locked in Plan For Scholarship Aid**

M.I.T. is one of fifteen colleges selected to participate in a scholarship program by the Lockheed Aircraft Corporation. Each of these colleges chooses one high school senior with "demonstrated potential for leadership" to receive a four-year scholarship consisting of full tuition and fees plus $500 per year for personal expenses. Lockheed also grants $500 per year to the college to administer in the scholarship. The student must be a junior or senior, and he will remain in this college, under which forty students have already received awards.

**$20,000 Grant Given to Institute To Study Russia**

Soviet science and the place of science in the U.S.S.R. will be reviewed by the Center for International Studies here at the Institute under a $20,000 grant from Carnegie Corporation. Each of these universities will appoint a study director in charge of the research project.

**Navy Announces Opportunities For Seniors At O.C.S.**

The Navy now permits Seniors to apply to O.C.S. up to a year before graduation, at the Federal Building, Post Office Square, Boston, Mass.

**Voting Systems**

Inscornn decided that the chairman of the Field Day Committee shall be directly responsible to it instead of to the Athletic Association, which has traditionally been in charge of running and organizing Field Day for the last few years. The committee has scheduled its next meeting for this Friday, and shall now be in full charge of this examination of freshman-sophomore rivalry.

**Nineteen Outstanding Air Force Cadets Receive Awards**

Nine men have been designated by the Department of Air Science as distinguished members of the Class of 1958. The group of seniors was presented with a $50 ROTC Distinguished Military Student Award by General Hoyt V. Vandenberg, Commander of the United States Air Force, last Tuesday evening at a reception held at the Plympton Building.

**Inscimm Votes Against Student Election Changes Hazing Regulations Passed**

The use of motor vehicles as an instrument in hazing has been declared illegal by the Institute Committees. Violations will be tried and punished by the Judicial Committee. The motion to prohibit the use of motor vehicles in hazing was passed at a business meeting held last Tuesday. The interpretation of the regulation in that cars cannot be used to haze a person directly. They can be used as a means of transport for a group of students who wish to aid them in the fulfillment of their duty. The students who wish to aid their friends will not be able to do so without breaking the law. However, they cannot use the cars to take a Freshman across the river and recruit him to join their group. It is also illegal to hazing anyone who wishes to use the car to get from one place to another.
