SAE In Squeaker, Cop-Championship, Sigma Chi Second

By Jerry Marshall '51

What figured to be an anti-climax battle almost erupted into a nightmare for the champion SAE football team when, in the last minute of play last Saturday, Sigma Nu just missed tying the score. They could have eventually led to a win for them and a tie in the league standings for SAE.

The SAE score came in the first quarter when Lou Bangert '58 hit Randy Mathews for a gain of 65 yards. The Big Sigma then pushed over the winning extra marker. The rest of the game, which was played on a spongy, grass field, consisted of an aerial circus, with neither squad booking much yardage.

When they walked off the fourth period Sigma Nu connected on a long, long forward which the end lugged to pay dirt. The pass pattern for the extra point was broken up, and the game ended at 7-6. SAE played this game without three of their performers.

In the other game Saturday, Sigma Chi downed Phi Delta Theta 20-9. The game was slower than this total indicated. All the points were scored in the second quarter and on the passing of great athlete Noble Marques. The final score '56 stood out for the Phi Deltas.

The final standings:

SAE W 1 S 1
Sigma Chi W 3 4 24
Delta Tau Delta W 2 3 22
Phi Gamma Delta W 1 18 10
Phi Delta Theta W 1 18 45
