LIVINGSTONE ON PANEL

Prof. Livingstone will participate in a panel discussion on "Security and the Freedom of Enquiry" tonight. The discussion will begin at 8:15 p.m. in Altman Hall A at Harvard.

CLASS RINGS

The official 1958 Class Rings will be on sale Monday, Tuesday, and Wednesday, the 17th, 18th, and 19th of January, from 3:00 p.m. until 4:00 p.m. daily. A full staff of salesmen will be on hand to take your orders and answer any questions you may have.

Co-op students who will not be here next year have been ordered to take their rings now, and the rings will be mailed direct to their new address.

The Committee decided this year that the girls' style rings will only be sold to registered coeds of the class of 1958. You may have your choice of either gold or rhodium silver in the rings.

try going into competition with the Cambridge Gas and Electric Company, or the Chemistry Department might flunk. The MIT dining facilities are in the hands of the DuPont Corporation. Certainly the Buildings and Power Department could try several fields, such as a chair-replacement organization, a construction firm, a branch of the Post Office, a parking-lot operator, a landscaping service, a janitorial service, a detective firm composed of those personnel who search for hotplates in the dormitory, or any one of a host of other business ventures. And of course the MIT Dining Service could really make a small fortune, with its own Special Style Commons Mints served at any of thirty-seven convenient locations in and around Greater Boston. We can see that the possibilities in these directions were enormous.

Unfortunately, we have not yet succeeded in purchasing any stock, either preferred or common, in MIT, Inc. Despite our most diligent research, which consisted of calling up the classification desk on makeup night and asking if anyone downtown knew who owned MIT, we could not locate a single share of its stock. As a result, we must still hypothesize, though, to be able to cash in on this bonanza some day.

InsComm Pres. Election Petitions Available Monday

Nomination petitions will be available starting Monday, January 17, for candidates for the office of President of the Undergraduate Association, more commonly known as chairman of Institute Councils.

The elections will take place on Thursday, February 9, and nomination petitions are to be returned to the Innhouse office, Litchfield Lounge, by 5:00 p.m. Wednesday, February 8. Vice Presidential petitions can also be secured at the office at that time. The VP elections will be run at the same time as the Presidential elections.

Any undergraduate student is eligible to sign the petitions. Candidates are to secure the written and printed signatures of 10% of the undergraduates of the student body.
