Calendar of Events from March 16 through March 23, 1955

TUESDAY, MARCH 15

Acoustics Laboratory Seminar: "The Production of Speech." Dr. Kenneth N. Stevens and Arthur H. Stone. Room 220B, 4:30 p.m.

Science and Social Science Department Lecture Series. "A Change of Perspective in the Economics of Social Science." Professor A. B. A. Hume, Washington University. Room 2-408, 4:00 p.m.

Mathematics Department Lecture Series—III: "Elliptic Partial Differential Equations." Dr. Felix Browder. Room 2-442, 4:00 p.m.

TIF Lecture Series—II: "The Nuclear Chemical Clock." by T. H. Stilwell and W. I. David.肥料, Faculty Club, 6:15 p.m.

WEDNESDAY, MARCH 16

Inter-Veritas Christian Fellowship Lecture: "The Geek of Fossils." by John M. List. Room 10-280, 7:00 p.m.

Chemistry Department Lecture Series: "Ferromagnetic and Ferroelectric Materials." Prof. Arthur R. von Hippel. Room 1-201, 7:00 p.m.

Fridays, March 11 and 18

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.

Fridays, March 11, 18, 25

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mano Masood. Miller Room (3-070), 5:00 p.m.

Saturdays, March 13 and 20

School of Architecture and Planning Lecture: Mr. John LeBoer, Architect from New York. Room 1-306, 7:30 p.m.

Fridays, March 11, 18, 25

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Thursday, March 17

Friday, March 18

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mande Masood. Miller Room (3-070), 5:00 p.m. Admission free.

Saturdays, March 13, 20

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.

Sundays, March 14, 21

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mano Masood. Miller Room (3-070), 5:00 p.m. Admission free.

Saturdays, March 13, 20

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.

Fridays, March 11, 18, 25

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Friday, March 18

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mano Masood. Miller Room (3-070), 5:00 p.m. Admission free.

Saturdays, March 13, 20

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.

Fridays, March 11, 18, 25

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Friday, March 18

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mano Masood. Miller Room (3-070), 5:00 p.m. Admission free.

Saturdays, March 13, 20

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.

Fridays, March 11, 18, 25

Mechanical Engineering Department Seminar: "Temperature Measurement in Internal Combustion Engines." Prof. Thomas P. Rea. Room 3-370, 5:00 p.m. Admission free.

Friday, March 18

Lecture Series Committee: Film, "Quater." by Basil Rathbone and Cecil Parker. Room 1-310, 8:00, 9:30, and 10:45 p.m. Admission: 60 cents.

American Society of Mechanical Engineers-M.I.T. Lecture Series. "Nuclear Reactors for Research." Dr. Mano Masood. Miller Room (3-070), 5:00 p.m. Admission free.

Saturdays, March 13, 20

School of Architecture and Planning Lecture: Mr. John Johnson, Associate from New Canaan, Conn. Room 7-437, 8:00 p.m.
