with this, the Crimson caught the intercollegiate record to two wins and one defeat. The Public Relations Committee is trying to encourage a spirit of cooperation among the Institute and with the wider variety of professional fields for which the Institute offers more than just science teaching. The program will also attempt to present a rounded picture of the student extracurricular activities.

The purpose of the program is to acquaint prospective freshmen with the Institute and with the wider variety of professional fields for which it prepares the student. The program will also attempt to present a rounded picture of the student extracurricular activities.
