Baker Foundation

A grant of $100 from the University Service has been announced by the student trustees of the Everett Moore Baker Memorial Foundation. The grant is given in memory of the former dean and as an expression of his concern for international cooperation among students and university communities.

The award was prompted by the lack of student support for WUS this past year as evidenced by the discontinuance of the customary WUS Cardinal. The committee, in cooperation with the IPC, is sponsoring a "Books for India" drive to be held during the reading and exam periods.

Plans For Chapel Await Completion

Although dedicated on Sunday, the MIT Chapel will not be in general use until September due to work which is yet to be completed. Persons interested in visiting the chapel will find it open during the working hours of John, Jr. to 5:00 pm.
