TIME OUT FOR LUCKY DROOLDES!

WHAT'S THIS?

For solution, see paragraph below.

EVERY ONE OF THE PEOPLE in the Droolde above (titled: Lucky smokers playing poker) has a good deal. Because they all smoke Luckies, they all enjoy better taste. Luckies taste better, first of all, because Lucky Strike means fine tobacco. Then that tobacco is toasted to taste even better... cleaner, fresher, smoother. So light up a Lucky yourself. You'll rate it even high for smoking enjoyment.

BUFFET GOAL DECIDES HARD-Fought Battle

Escaping a tie on right wing Tom Buffet's goal at 2:15 of the second five-minute overtime period, the Tech varsity soccer team beat Brown, 4 to 3, on Briggs Field Saturday to remain in the running for the New England championship with a four-year, one-loss record. Buffet scored his first goal of the season, with an assist by center forward Col. de Almeida '56.

The first half was slow in action, and not until 6:45 of the third quarter did either side get a score on a penalty kick. A few minutes later Almeida followed with a solo drive which gave the Beavers a second goal. Late in the same quarter Blaschitz connected on his second penalty kick of the game.

Brown came storming back in the fourth quarter against a somewhat relaxed Tech squad and three solo scores by Teyster, Strom, and Seid tied up the game by the middle of the quarter. The Beaver defense then stiffened although Brown twice came close to scoring the winning goal, missing partly on past kicks.

The first overtime period was a defensive battle with Brown again coming very close to scoring, but being stopped many times within ten feet of the goal. Just 30 seconds before the end of the second overtime period a penalty kick by Brown went just barely over the top of the Tech goal, coding their final winning threat.

Coach Martin rated especially the play of inside right Carlos Gonzalez '57, Almeida, and Blaschitz.
