20 BEROKELEY STREET
in the corner of Commonwealth Avenue

The largest and most luxurious

Why the editor of a great newspaper reads The Reader's Digest

"The Reader's Digest publishes controversial and important articles, regardless of the pressure that may prevail. This is a valid reason for the respect with which The Reader's Digest is read by millions like me—except not only in the United States but throughout the free world.

(Ogden Reid, President and Editor, New York Herald Tribune, at your newsstand today—only 38 cents)

In December Reader's Digest don't miss:

- CONFESSIONS FROM THE 50.00 BOOK: "THE MIRACLE OF LORNE"
  The cures at this Catholic shrine—cure of the hopelessly sick and crippled—have eluded controversy for years. Now a Protestant (who lived in this French town, question doctors, nurses and patients) verifies facts about Lorraine and its miracles.

- HOW TO WRITE FASTER
  Want to double your writing speed in a short time? Here's an easy system of word abbreviation that can help you make full-legible notes in minutes, or include take-out numbers on the phone—they may even help you land a job.

- MYSTERY OF EASTER ISLAND
  On a remote Pacific island stand giant, stone-age statues some weighing 200 tons. Who carved them? How did they get there? One of the world's most baffling mysteries.

- REVEALING AMERICA
  A real supermarket, where major league ball players, luxury motels, "do-it-yourself" home building—these and many more are the amazing revolution that have made a Americas turning to the country after fifteen years abroad.
