athlete of the week

For those of you who frequent the swimming pool Harry Duane '56 (club of the Week, needs an intro-
duction. He’s the kind of gentleman who is always speaking into each ear of Smith’s swimming classes, to keep all of his free time in shape. The reasons he has been selecting for himself and for the scrum that his efforts have not been in vain. He has already chopped fairly 3 records off a 5-year-old 100-meter individual medley record, just in past Saturday, against Trinity, bringing the time down to 1:12.8. Harry, who is a local boy, born in 1918, has been swimming competitively for a good many years. He attended Phillips Exeter Academy for 3 years, earning his varsity letter for swimming and swimming and swimming and swimming, and was enrolled in Electrical Engineering after a year, in 1951, he started a lovely Pennbecker's, Harry enlisted in the Army and was in Camp 100- and 100-yard, freestyle specialty during his efforts training program at Ft. Sill. After a year of a half spent in Germany as a second Lieutenant, Harry decided to return to school. He entered MIT in the spring of 1954 and is now a Ja-
or in Course XV A.

Bite Harry and attended Brown University, under N.C.A.A. rules he was ineligible to compete in sports or one year. Although he was un-

able to compete in meets he was still one of the most conscientious workers on the squad during his first year. Harry symbolizes to the rest of the varsity squad the optimism of team spirit, originally a frontman, Harry turned to the individual medley only because this was the spot where the team was most deficient. He can still be depended on to bolster the team because this was the spot where the team was most deficient. The most outstanding performance was turned in by the varsity team which has been the strong point in the engi-

neer’s attack all season. Epee man Dave Stratton, Ed Bristol, and Charles Knoch competed with nine wins and only a single loss. Much credit was also due the foil team with seniors Harvey lavino, Jim Witting, Hal Miller, Ted Quist, and Mike Finch. Final foil scores were 6 for MIT and 3 for B. U. The sabre team with fencers Wendy Rais, Bob Edwards, Barry Wehrman, and Mike Meeker won 3 of their 5 bouts.

This brings MIT's record to five wins and one loss. Saturday the engi-

neers meet City College of New York in what should be a tough match for MIT. This is the last meet before the Eastern championship competition in New York.

Fencing Team Tops BU As Epee Team Takes 8 Of 9 Bouts

In what might have been their best fought match of the season, the MIT fencers topped Boston University 17 to 19 last Thursday. Tech stacked up a comfortable lead early in the match and maintained it to the end. The fencers expecting a close fought match were obviously keyed up to a high pitch as they romped over the B. U. team.
