Pucksters Top Colby In Slugfest
Shutout By Bowdoin 8-0 Next Day

MIT's hockey team split two con- 
trolling games over the past week- 
end, beating Colby 6-4 in a real slug- 
fest Friday night and then losing to 
Bowdoin, a team which had lost three 
in a row to Colby, the next afternoon 
by an 8-0 score.

Twenty-three penalties marred Fri- 
day night's game with 15 being called 
against the Beacons. MIT jumped in- 
to an early lead with Captain John 
Sullivan's '56 scoring three times in 
the first period to pull the hat trick. 
Playing his best game of the season, 
Sullivan hit for his first goal only 
minutes after the first face- 
off. Four minutes later he moved on 
across the wide-open net to get his 
second unanswered 
goal. Sandwiched in between was a 
score by Wey of Colby to make the 
first period score 3-1. Paul Ekberg 
'58, alternating between the forward 
and back line, scored unassisted at 
18:39 of the second period, but Howie 
Cohen '57, at 
with his World 
run around as the original one but in dif- 
contains essentially the same regula-
tions as the original one but in dif-
ferent form. 

Fraternity with 

At the conference Sunday, chair- 
man Lehmann opened by reading a 
dedication of student maturity by Dr. 
Dana Fairworth, as well as numer-
ous newspaper articles and outside 
letters to the Institute. In general, 
the letters criticized having not 
been written.

After a short recess, the Exective 
Council, consisting of 110 present- 
ment which the Committee had pre-
pared. This resolution was 
finally approved by the presidents 
containing essentially the same regula-
tions as the original one but in dif-
ferent form.

Only Chevrolet puts you in charge of the dynamite action and 
sure-foot handling qualities it takes to break the Pikes Peak 
record! Better try it before you buy any car at any price.

Almost everybody likes a real road car. And nowadays you 
no longer have to pay a king's ransom to own one. They're 
going at Chevrolet prices! For the new Chevrolet is one of the 
few truly great road cars being built today!

It has to be to hold the stock car 
record for the Pikes Peak climb. It 
has to have cannonball acceleration 
(horsepower now ranges up to 225!) and nailed-down stability on 
turns—plus lots of other built-in 
qualities that make for more driv-
ing pleasure and safety on the 
road. Come on in and try a record-
breaking Chevrolet!
