Deadlock Delays ’59 Race Results; Laurhman, Rowan, Irlecr Elected Amid Confusion, Incomm Bans Hazing In Dormitory, Psychological Effects Fears Cum System Discussed, No Substitute Yet

The special election for Dormitory Council Officers was broken on Wednesday by the Governors, who declared the vote null and void due to confusion over hazing. The Governors also announced that the election results would be withheld until the council can be re-elected in a manner which is fair to all candidates.

Dr. Edwin H. Land, president of the Polaroid Corporation, has been appointed a Professor of Practice in the MIT School of Engineering. He will serve as a visiting professor from 11:00 until 2:00.
