InscommHears President’s Report

(Continued from page 1)

The main point of the business of this meeting was a motion of John Irwin '67 that had been previously tabled. This motion was another concerned with the ingraining of school and class spirit into incoming freshmen. As the motion was taken off the table, one amendment was added, and then it was passed unanimously. This motion stated that a committee consisting of representatives from F.C.C., Executive Committee, Foreign Students Summer Project, J.C. C., the student body at large, and the faculty. This committee will present a preliminary report in May and the final report of this group will be presented to Inscomm in the fall.

The remainder of the meeting was concerned with tasks for discussion at the Leadership Conference to be held later this spring. Several topics were tentatively decided upon, and the timetable for this conference was also given.

Make your pick the "pick of the pros"—SPALDING

You'll stop a lot of horsehide with either of these fine Spalding gloves. These are the very same gloves used by two great names in baseball—Alvin Dark,* shortstop captain of the New York Giants and Phil Rizzuto,* veteran shortstop of the New York Yankees. Both these gloves are made with the finest leather, deep grease pocket and solid web in trap. You don't have to break them in; Spalding does that for you. You can see the complete Spalding line of fine gloves at your Spalding dealer's now.

Dormen Treasuries Boost $4000 Balance

Dormitory Council and its three member houses are financially sol- vent, according to the latest Dorm- en Treasurer's report. East Campus has a balance of $1,061.26, Baker House has $439.72, and the Burton House balance is $218.12, and Dormen itself has over a thousand dollars.

Dormen residents may even be- come more conscious of the large amount of money which Dormen handles. The Council passed a motion recommending that "the Bur- sar's card ... indicate, separate from room rent, the Dormitory Coun- cil Tax on each resident of $181 per term."

In another action at last Monday's Dormen meeting, the Council heard about $117.40 in unpaid bills payable to the Institute. Indications are that these will be paid.

The 1963-64 Dormitory phone book will probably be ready soon.
