Looking for daring

The Tech

looking for daring

engineering?

Here are a few of the many projects Westinghouse offers to the young engineer or scientist interested in daring engineering and research:

- First steam turbine to operate at 5,000 lbs. pressure

- Guided missiles-seeker head and ground control for "Roman," in new Electronics Laboratory

- New use for Magamps and transistors such as . . . controls for aircraft power . . . automation for industry

- Research in nearly perfect vacuums, and near absolute zero temperatures, at new multimillion dollar Central Research Laboratories

- Development of world's first industry-owned testing plant. . . .

- Pioneering in development of new metals and alloys, and metallurgical techniques, at new $6 million Metals Development Plant

- Development of world's first industry-owned testing reactor (cost, $50 million). Today, more than ever before, Big things are happening at Westinghouse, and Big opportunitites are wide open for you in the field of your choice. And, you can take graduate study, leading to Master's and Ph.D. degrees at 22 leading universities... at company expense.

Location is no problem, for Westinghouse has 88 plants. Before you make your decision, please collect at C. H. Ebert at Westinghouse Educational Center, Pittsburgh...

...or write him at Westinghouse Electric Corporation, Educational Center, Antares Boulevard at Belton Road, Pittsburgh 21, Pennsylvania.

Don't delay, tag along with the Westinghouse Express and get more information on our big opportunities. Westinghouse Electric Corporation, Industrial Relations Department, Westinghouse Electric and Manufacturing Company, Pittsburgh, Pa.

WALK WESTINGHOUSE!

WHERE BIG THINGS ARE HAPPENING TODAY.
