Jack stalks giant in his joint

There once lived a crazy, mixed-up old giant. He lived at the top of a beanstalk and he got his kicks out of a little red hen. Of course, that wasn't bad, because that chicken laid golden eggs.

Now down at the bottom of the stalk lived our boy, Jackson. Our boy was low on loot and his mother . . . man, she wasn't making it at all. The feedback was M. T. So Jackson started thinking of a way to get loot fast: "How," said he to himself, "could I get that frantic chicken away from that character upstairs?" He looked around the hut for something to trade—How about an old piano roll? Mom's bifocals?

Uncle Loopy's spectrum banjo? Wait a minute!!! In the cistern was a six-can carton of Budweiser! So he gets the Bud and switches up the stalk. Well, citizens, there's no use dragging this Budweiser hit out. The giant buys the Bud, gives Jackson the hen, mom's being great and so will you if you're up to date, Get Budweiser, too... it's the world's favorite beer!
