Decision To Brown
On Wednesday, 6-3

In a game which bore a striking re-semblance to last year’s closely fought game, Brown University took a 6-3 decision from the Tech boathouse on Wednesday, October 3. In reversing last year’s results, Brown averaged the 4-0 loss of a year ago. It was the first gain of the campaign for both squads and the short period of time which elapsed since the opening practice clearly explains the loss of this encounter.

Brown jumped off to an early lead, scoring three times in the first quarter. They added another tally in the second period to close the first half with a 4-0 lead. Despite a second half come-back by the Bears, Brown was able to hang on to the decision. The visiting Techmen tallied one in the third period and twice in the fourth but to no avail.

The Tech markers were recorded by Al Hobart ‘59, Tom Buffet ‘59 and Al Kappens ‘59. The first quarter Morris Neehan ‘57 handled the goal tending.

Brown utilized their wings to great advantage and they re-tallied to tally several times from the outside position. They played a hard, rough game that at times resembled a football scrimmage. After having lost the opening initiative the team rebounded in a comeback to make an attempt of a rally. Unfortunately, it was not to be. The game ended with a score of 6-3.

Tomorrow at Briggs Field the Card-inal varsity will host the Boston University eleven. Game time is slated for 10:00 a.m. and again MIT is not to repeat a victory last year when the Terriers were shut out 4-0. Some goals will probably occur in the defense in order to avert another few point scoring splurge by the opposition.
