Can You Qualify?

The tremendous growth of our population and of our industries has placed an ever increasing demand on the electric power industry for more power, in more places, for more purposes. Pennsylvania's Utility Companies are well aware of their responsibility to supply the vast amounts of electric power America needs so desperately. That's why they are constantly looking for graduate engineers with the qualifications you can qualify as an engineer for a Pennsylvania Electric Utility Company, you'll be a respected, well paid, and an influential member of an organization that must double its output in 10 years.

And you'll be a member of an organization representing an advanced field of research science, dealing with such complex problems as atomic forces, electronics and automation in virtually every form.

A Select Group of Engineers Will Be Chosen...

… by the Pennsylvania Electric Utilities Companies to play a dominating role in one of the greatest expansion programs the industry has ever seen. If you are interested, and feel you have the qualifications, get the facts on Pennsylvania's Electric Companies from your placement counselor. Have him make an appointment for you to see the representatives of the Electric Companies when they visit your campus.
