Cross-Country Team Reports For Season;

Tech's sixty-third cross-country season opened yesterday. From the many reporting for practice, twenty-five boys will represent the cardinal and gray in this year's competition. MIT's cross-country teams have won many championships against other New England Intercollegiate teams.

Members of last year's teams who are returning include Captain Bob Swift, Glenn Bennett, Bill Duffy, Duncan Ewing, Bob Cooper, Dennis Lytle, and Sarsfield McNulty. The members of last year's freshman

team who will now be running varsity include last year's captain, Dan Oliver, Bob Murano, Bill Mullen, E. McCartney, Fred Rahhauser, and Ray Fletcher. These experienced trackmen, augmented by the other new recruits should produce a very strong team.

Freshmen have shown intense interest in distance running, and many had taken part in high school competition before coming to MIT. Coach Hedlund predicts that this will be one of Tech's best Freshman teams.

A track rally will be held on Monday, September 30, at 5:00 p.m., in Kresge Auditorium. Cross Country films will be shown, and a pair of track shoes will be awarded as a door prize.
