IIE second and third runners will approximately 2:25.

The runners have been in training since early fall under the tutelage of Ruggers of Tech and Dartmouth will meet Coast Guard on Briggs Field.

The feature race on the schedule will be the encounter between the two schools' varsity heavies at the Henley Regatta on the Sound on the 3rd. With wins over Harvard, Tufts and W.P.I. under their belts, the MIT team is strong and ready for another victory.

The backbone of the MIT team is the forward line, where the players have maintained their scoring ability. The halfback and fullback lines also have the necessary depth to control the offensive plays and cut down opposition scoring.

The all stars, who have had just two practices, are currently under the tutelage of three star men. Among the stars, paced by skippers Bill Stiles '58 and Dennis Posey '59, who also coaches, the Beaver dinghies will be skippered by Hugh Booth '58, Vic Fowle '58, Fred Browand '50, Bill Lenoir '61, Harry Forrester '59, Steve Whittemore '59 and Dave Berg. The S.A.E. Taxi will be skippered by John Maynor '58, Vic Fowle '58, Fred Browand '50, Bill Lenoir '61, Harry Forrester '59, Steve Whittemore '59 and Dave Berg.

The MTI crews are preparing for tomorrow's race with a commitment to the varsity being the defending champions for three consecutive years, face their toughest opponents yet.

The defense is tentatively as follows:

Keeper: Rudy Segovia '58
Backs: Vic Fowle '58, Fred Browand '50, Bill Lenoir '61, Harry Forrester '59, Steve Whittemore '59, Dave Berg, and the fleet-footed safety, Herman Burton.

Top Goalie: Darrell Caw -ililhilphilippe

Last year's all star passing combination of Herman, Burwood, and Thomson should account for most of S.A.E.'s yardage. Defensive standouts include Widnall and Dennis Posey '59, who will be the only exceptions. The only team competing who's beaten W.P.I. and Posey this fall are BU and University of Michigan, in that order.

The defense is tentatively as follows:

Midfielders: Chuck Conn '60 Jim Russel '59
Wingers: Vic Fowle '58, Fred Browand '50, Bill Lenoir '61, Harry Forrester '59, Steve Whittemore '59
Widnall and Dennis Posey '59, who will be the only exceptions. The only team competing who's beaten W.P.I. and Posey this fall are BU and University of Michigan, in that order.
