Text Of Dean's Note To Voo Doo And Ad Hoc Committee's Report

(The following is the report of the Ad Hoc Committee on Voo Doo. The text of the report was submitted to the President on November 30th.)

It is our conclusion after a year of study and review that Voo Doo is no longer a viable organization. The committee has come to this conclusion after detailed consideration of the following:

(a) The lack of cooperation with the Institute's administration and faculty.

(b) The committee has determined that Voo Doo is not a legal entity and that it is operating in violation of the Institute's by-laws.

(c) The committee has determined that Voo Doo is not a necessary or desirable organization for the students of the Institute.

Sincerely,
John T. Bace, Dean of Students
