Look for the Public Service man on campus

He'll Be Glad To See You

It will be well worth your time to look for the representative from Public Service Electric and Gas Company when he comes to your campus.

This large New Jersey electric and gas utility is a growth company and you can grow with it. While the growth of the industrial product in the United States is projected by experts at 50 per cent ten years from now, there is every indication that the increase in our unit sales of electricity and gas will be twice as great . . . a whopping 100 per cent!

So look for the Public Service man on your campus. You can obtain a copy of our new brochure “Career Opportunities Through Training Programs at Public Service” from your placement office or by writing to Public Service, Room 2152A, 80 Park Place, Newark, New Jersey, for your free copy.
