Yearling Swimmers Defeat Dean; Medley Relay Team Breaks Record

By an overwhelming score of 83-11, the freshman swimming team defeated Dean Academy on Wednesday night, allowing them only four minutes of invaluableostime. The meetings now stand unbroken, with one win, and one tie.

Medley Relay Set Record

The men's team led with a team of Nelson Stephany, Eric Essene, Tom Ising, and Bruce Marshall in the 200 yd. medley relay, which set a new freshman record of 2:41.8 for this event. Next was the grueling 200 yd. freestyle that saw Pete Shanken and Roger Lamberts take first and second respectively. The 50 yd. butterfly had Jim Francine and Tony Sjostroms' Ker Fyng at first and second by a very close decision in the diving competition, Machi Bredin's last will set William by less than one point.

In the 400-yd. freestyle, Bruce Marshall and John Rombalds scored into the top positions, both hitting well under a minute for the swim. Again felt MIT's one-two punch as Nelson Stephany and Bill Ziter posted an easy victory in the 100 yd. breaststroke. Eric Essene and Bruce Rombalds followed through by taking first and second respectively in the 100-yard butterfly event.

Yearlings Eight of Nine Races

In the visitors' best showing of the evening, their man placed first in the 50-yd. freestyle, with Ken Harris and Gus Willson right behind him.

The men won the 50-yard backstroke, and the 50-yard breaststroke, and the 100-yard butterfly, with the 50-yard backstroke. The 400-yard freestyle relay of stunt men won the 400-yard medley relay.

BU Cagers Dim the Lights

Following a reasonably close first half, MIT's varsity hoopsters were crushed by a mob tailgate: Boston University, 69-40, at the Huntington Avenue TMCA Wednesday night.

The unbeaten Red and White used a transition zone pass to great advantage to bring them their tenth consecutive victory.

In the opening minutes of the contest, the score that tied, 6-6, the Redmen tossed their Cardinal and Gray, 14-12, but by intermission-time, they were on the short end of a 39-21 contest.

The home squad completely dominated the game during the first eight minutes of the second half, as they captured the Cardinal and Gray, 19-3. In this same interval, Beaver Captain Max Jordan '58 forced out to sink the Engineers even deeper.

Towering over the end of the court.

Unbeaten BU Cagers Down MIT, 73-50

BY AN OVERWHELMING score of 63-11, the freshman swimming team defeated MIT University five, 73-50, at the Hun-.

The undefeated Red and White took first and second respectively. The yearlings now stand unbeaten, with 11 wins and one tie.

Exhibiting their spirit, fourteen squads went into the second round of the intramural basketball double-elimination playoffs, and eleven of them now remain in the running for the championship.

Wednesday night's action left only four teams undated. In the winners' bracket, Student House came back from a 16-10 halftime deficit to defeat Theta Chi 42-29. Two Quarters '60 sunk with only 15 seconds left to send undefeated Alpha Tau Omega to a 44-25 victory over Eta Phi. Courtney was the victor's top scorer with 16, while Tony Huer '61 did a fine job under the boards. Dave Georgek '59 called 22 points to carry the load for AEPi.

East Campus Upset

Defending champion and previously undefeated East Campus dropped a thriller to Phi Gamma Delta by a 41-37 margin. Chuck apetners '59 lost a third quarter drive that helped to Phi Gamma overcome a three-point half-time deficit. With 10 seconds to go and the score tied, John Venet '61 sank two foul shots to make the difference. Jayhawk was high wing with seven- ten points, but an unanswerable under the boards and the fact that East Campus had two men foul out early made the difference. Dave Crockett '59 led the losers with 13 points and sparkled on the boards. On the pre- 

Kaiser Aluminum

is looking for men who want to grow!

FOR YOUNG MEN who have ability and are anxious to assure responsibilities, a career with Kaiser Aluminum & Chemical Corporation offers a unique opportunity. Kaiser Aluminum is a young but stable corporation, among the nation's largest producers of primary alu- minum, and operating facilities and operations in or under construction.

Since entering the aluminum business in 1946, Kaiser Aluminum has continuously expanded its facilities for making primary metal as well as fabricated products.

Yet, to keep pace with the unlimited future markets for aluminum, more expansion will be necessary. This will require not only more physical plants but more people who can step into management positions.

As a result, we are looking for exceptional young men who wish unlimited opportunities for advancement and self-improvement.

We are anxious for ambitious young men of ability at Kaiser Aluminum will rapidly advance to corporate positions in management, planning, production supervision, technical and sales supervision.

But our rapid expansion is offering for exceptional young men who wish unlimited opportunities for advancement and self-improvement.
