Step In Right Direction

ROTC, Cum Votes Praised

The recent faculty vote to end the ROTC program was received with mixed reactions. The office of student government leaders, Arnold Amstutz '58, Undergraduate Association President, voiced the general opinion that the move would set the campus in a new direction. He hoped that even more so would be accomplished in this area.

A Matter of Rights

Bob Jordan '54, IFC President, said that a three-figure cum was not accurate and the twov-digit system is in progress. He hoped that the new ROTC program would allow those who are interested in the program to advance more rapidly.

Those who are interested in the fraternity movement to advance more rapidly. It was stated that the fraternity average had been increased and the rest of his curriculum was to show a trend in the right direction and I hope that even more so will be accomplished in this area.

Richard Corry, Oaff., that the situation any engineer who has undertaken freedom greater in engineering and presented his work for knowledge and not for grades.
