THE MAN FROM ALLIED HAS FACTS YOU NEED

Thinking hard about what's ahead after graduation? You probably have some idea about industries, companies, jobs ... futures. But you need facts.

Check that date below—the Allied interviewer will be here soon, ready to do some straight talking about your future. It's worth a half-hour to look into a company that has a dozen research laboratories, over 100 plants, and a nationwide network of sales offices. It's worth learning about the room to grow at a company that makes more than 3,000 products ... chemicals, plastics, fibers, and new ones every year.

What kinds of jobs? Which locations? Which products? What sort of future? For the facts you need,
