Grad House Halts Favored Fijis
Galvin Paces IM Hoop Triumph

After building up a large first half lead, Grad House edged Phi Gamma Delta 44-39 in O’Connell Cage Sunday. The Fijis battled back in the third and fourth quarters and led by two points with two minutes remaining, but Grad House recovered the lead in the last minute.

Both Grad House’s offense and defense completely outdistanced the Fijis in the first quarter. Aaron Galvin’s rebounding and scoring together with timely baskets by Bill Todd, accounted for the winners’ large first half lead. The Grad House mantra, ‘to man defense, on the other hand, held the Fijis virtually scoreless. This effective defense, coupled with the losers’ erratic ball handling, accounted for the 50-24 Grad House lead in the second quarter.

Defense Shifts

The Fijis then shifted from a zone to a man-to-man defense. This shift managed to stop the Grad House ramp, leaving the score 24-10 at half time.

Scoring two quick baskets in the beginning of the third quarter, the Fijis seemed on the way to recovery, but Grad House responded by trading baskets throughout the rest of the quarter.

Last Quarter Rally

The fourth quarter saw the Fijis continuing to narrow the Grad House lead. Grad House was unable to convert on last shots while the Fijis, led by Carl Severson ’68, were expending all free throws. A one-pointer by John Irvin ’68 tied the score at 27-27 with about two minutes remaining. A lay-in by Pat McKeever ’69 then put the Fijis ahead, but that ended their scoring. Grad House scored six consecutive goals in the remaining minutes to account for the final score.

Student House forfeited third place to Alpha Tau Omega in the consolation game.

Tech Fencers Lose
Though Shabel Wins

In spite of the excellent showing of Barrie Shabel ’59 in foil, and Curry Campbell ’59 in sabre, who scored 5-1 for the match, the Varsity Fencing team suffered a crushing defeat last Saturday at the hands of a mighty Cornell team.

A final score of 22-4 marked the team’s worst setback of the season; however, Shabel’s excellent overall record and Campbell’s recovery seem to indicate that MIT will have some competition to offer for the coming Easterns.

Intramural Hock
Ends Regular Season
Playoffs In Progress

Last week saw the end of the regular intramural hockey season. Two top teams in each league, six teams in all, will play for the championship. These squads will be divided into two leagues: the first, Kappa Sigma, Phi Beta Epsilon, Graduate House, and Theta Delta Chi; and the second, Sigma Chi, Phi Gamma Delta, Beta Theta Pi, and 5:15 Club. The four top teams in each of the first elimination rounds play yesterday, today, and Tuesday, to meet this Sunday. The net of the best record after these contests will be crowned intramural hockey champion.

FINAL LEAGUE STANDINGS

LEAGUE I

Sigma Chi ........................................ 4
Phi Kappa Sigma ................................ 2
Phi Delta Theta ................................ 2
Sigma Alpha Epsilon ......................... 0

Sigma Phi Epsilon ......................... 3
Delta Upsilon ................................ 3
Sigma Alpha Epsilon ......................... 3

Your kind of beer... real beer!

When beer has that “just right” taste, experts call it “round” (no rough edges, a smooth harmony of flavor).

Taste Schaefer—it’s really round.
