duced by the fancy stickhandling of Sigma Chi's Frank Winter, Sigma Chi seemed to be on their way to another win when they led only twice in the first five minutes. A second change in the appearance of play was caused by a change of goalie, and Sigma Chi was able to tie the score in the 20th minute. The final result was 3-3, and Sigma Chi captured the IM title in a hard-fought battle.

The varsity ice hockey team traveled to New York for the championship game of the intramural hockey league. The outcome was decided early in the second period, when West broke the 0-0 tie. The Grads, however, won the game by a score of 3-1. The final standings were: West 3-1, Sigma Chi 2-2, and Alpha Delta Phi 1-3. The season was marred by the number of injuries, but the team was able to stay competitive.

During Spring vacation, plan to visit
